L'Amazone

The model photographed in this editorial is a pure product of métissage, through her origins, personality, culture and even her professional activities. She is a French woman, born in Paris, but her parents are originally from Laos. Angela is her given name (of Greek origin, now widespread in Anglo-Saxon countries) Sichanh is her surname, originally from Laos. The variety of styles highlights the multiculturalism that characterizes this woman, by no means conventional. All this gives rise to a thematic interweaving of stylistic and expressive modules belonging to different knowledge, different heritages of knowledge. The editorial is entitled "The Amazone", a symbol of warrior women, at the same time feminine, whose origins differ according to the many mythologies surrounding this legendary tribe.
