FULL CONTRASTE

El tipo de estos custom maquillajes son los ojos, sin embargo la piel también aportó al resultado final. En esta propuesta la piel se pintó con un base clara, ligera y con un toque de pigmento satinado para aportar frescura y naturalidad. Para este estilo se eligió el color verde un tono fuerte que ayuda a resaltar los ojos y a intensificar la mirada. Para marcar aún más los ojos, los ojos se delinearon con un lápiz café. Se recomendó escoger uno que sea un par de tonos más claros que el color natural del pelo.
