SHIMMER AND SHINE
The setting sun is magnificent and romantic, and casts everyone in a flattering light. The same can be said of these looks, which will bring magic-hour radiance to any ceremony. Jenny Packham's ensemble sparkles, thanks to the pearls, sequins, and beads of its ornate top, which finds a perfect match in streamlined, menswear-inspired trousers (top, \$4,200 and pants, \$1,065, jennyjpackham.com). Opposite, Carolina Herrera's "Fablette" gown (\$7,490, carolinaherrera.com) gets its luster from the sheen of double-faced satin falling from eye-catching black straps (which also come in ivory).
THE DETAILS Opposite: Laura Preshong "Jenny" diamond baguette halo ring, \$2,845 (not including center stone), laurapreshong.com.
